<sup>[1]</sup> Source documents, including monthly account statements from June 1998 to April 2006:

BSTSAC0000001 - 574

<sup>[2]</sup> Many of the account statements for the Bear Stearns 698 Account ended a few days prior to the calendar month end. The month end account value reflected in this exhibit includes any activity reflected on the subsequent statement for these days.<sup>[3]</sup> Transfers from the 703 Account represented the sole funding for the Bear Stearns 698 Account. On 10/27/2005, there was one transfer of \$4,911,555 from the BONY 621 Account to the Bear Stearns 698 Account, which was used the next day to purchase \$5 million worth of Treasury Bills that were immediately transferred out of the account. See BSTSAC0000323.<sup>[4]</sup> \$554.4 million of the transfers from the 703 Account occurred in June and August 1998, prior to the time period for which there were available statements for the 703 Account, and therefore is not reflected in the summary of other activity in/out of the 703 Account attached as **Exhibit 13**. The descriptions for these transactions per the Bear Stearns 698 Account statements are consistent with the descriptions of the transfers from the 703 Account that we were able to confirm using available statements for the 703 Account. See, for example, BSTSAC0000394, BSTSAC0000370 and JPMSAB0002417. In addition, these transactions are reflected as outgoing transfers on the Daily Sheets for the "C.M." account on the corresponding days with a description of "BLM-SPEC." See MADTSS01311069; MADTSS01311068; MADTSS01311056; MADTSS01310983.<sup>[5]</sup> There were no statements for these months for the Bear Stearns 698 Account. In each case, the "Last Statement" date on the next available statement indicates that there were no statements generated for these months. For purposes of this exhibit, I have included the account value for these months from the latest available statement.

<sup>[2]</sup> Transfers from the 703 Account represented the sole funding for the Lehman 435 Account. On 8/15/2007, there was one transfer of \$9,900,000 from the BONY 621 Account to the Lehman 435 Account, which was used the next day to purchase \$10 million worth of Treasury Bills that were immediately transferred out of the account. *See* SECSAH0001341 – 42.

<sup>[3]</sup> Certain statements for the Lehman 435 Account included two months of activity in one statement, including July/Aug 2007, Oct/Nov 2007, Jan/Feb 2008, April/May 2008 and July/Aug 2008. For the first month in each of these periods, I have included the account values reflected on the prior month account statement.

<sup>[4]</sup> In September 2008, \$100 million worth of Treasury Bills was transferred to the JPMC G 13414 Account, the same custody account that held the Treasury Bills purchased directly from the 703 Account.
